# Program Information

## ● Hands-on Learning

Our students learn the science behind massage in the most hands-on ways possible! Students start with Anatomy and Physiology and foundational massage classes.

## ● Unique Styles

We teach a variety of methods that students can incorporate into their personal style. They get experience in deep tissue, Thai massage, cupping, gua sha, and much more!

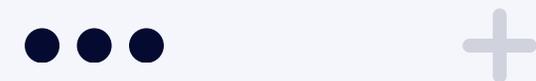

## ● Finance Options

Students have the option of paying in full or using our in-house payment plans over a 12 or 18 month period.

## ● Admissions

Apply online quickly and easily at our website! You need to be 18 and have a high school diploma or equivalent.
